

Every Month

there are thousands of women who nearly suffer death from irregular menses. Sometimes the "period" comes too often—sometimes not often enough—sometimes the flow is too scant, and again it is too profuse. Each symptom shows that Nature needs help, and that there is trouble in the organs concerned. Be careful when in any of the above conditions. Don't take any and every nostrum advertised to cure female troubles.

BRADFIELD'S FEMALE REGULATOR

is the one safe and sure medicine for irregular or painful menstruation. It cures all the ailments that are caused by irregularity, such as leucorrhoea, falling of the womb, nervousness, pains in the head, back, breasts, shoulders, sides, hips and limbs. By regulating the menses so that they occur every twenty-eighth day, all those aches disappear together. Just before your time comes, get a bottle and see how much good it will do you. Druggists sell it at \$1.

Rev. W. H. Sitzer, W. Union, N. Y., writes: "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion." It digests what you eat. W. T. Brooks.

Win. Orr, Newark, O., says: "We never feel safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it is the best medicine made." It cures coughs and all lung diseases. Pleasant to take, harmless and gives immediate results. W. T. Brooks.

Question Answered.

Yrs August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appointments. Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-1y

Sacrificed to Blood Poison.

Those who have never had Blood Poison can not know what a desperate condition it can produce. This terrible disease which the doctors are totally unable to cure, is communicated from one generation to another, inflicting its taint upon countless innocent ones.

Some years ago I was inoculated with poison by a nurse who infected my babe with blood taint. The little one was unequal to the struggle, and his life was yielded up to the fearful poison. For six long years I suffered untold misery. I was covered with sores and ulcers from head to foot, and no language can express my feelings of woe during those long years. I had the best medical treatment. Several physicians successively treated me, but all to no purpose. The mercury and potash seemed to add fuel to the awful flame which was devouring me. I was advised by friends who had seen wonderful cures made by it, to try Swift's Specific. I got two bottles, and I felt hope again revive in my breast—hope for health and happiness again. I improved from the start, and a complete and perfect cure was the result. S. S. S. is the only blood remedy which reaches desperate cases.

Of the many blood remedies, S. S. S. is the only one which reaches desperate cases, never fails to cure perfectly and permanently the most desperate cases which are beyond the reach of other remedies.

S. S. S. For The Blood

is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no mercury, potash, or other mineral. Valuable books mailed free by Swift Specific Company, Atlanta, Georgia.

The Colonial entertainment given at the opera house Friday evening by the couple and Mrs. B. B. St. Clement class was one of the best performances they have ever given. Everyone was well pleased, and the house could not hold the audience. The receipt was \$100. Too much credit cannot be given to these young pupils and Mrs. Best for their performance.

A telegram from Mt. Olivet to the Courier-Journal says: "Richard McDowell, a wealthy young farmer of this county, and Miss Bina Dailey, a prominent young school teacher of Millersburg, Bourbon County, were married at this place Saturday night. The ceremony was performed by the Rev. B. H. Hughes, from the veranda of the parsonage, with the bride and groom sitting in their buggy in the street. A little son of the preacher has the smallpox, and it was thought best for the candidates for matrimony and the minister to keep as far apart as possible. The bride is an accomplished young woman, the daughter of Prof. Charles Dailey, of Millersburg."

Prof. C. M. Best and wife entertained about 400 of their friends at the M. T. S. building Friday evening from nine to eleven. Gen. Washington, Gen. Lafayette and others were in the receiving line. Luncheon was served in a Colonial room, which was beautifully draped, and had many old curiosities to remind one of other days. The tables were presided over by a number of Colonial dames. The costumes were too numerous to mention. A number of conf. dresses, etc., worn by guests were more than a hundred years old. Everyone seemed to enjoy themselves and return thanks to the genial Professor and his amiable wife.

Mrs. Calvin Zimmerman, Millersburg, Pa., says: "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption. W. T. Brooks.
